Turkish inheritance lawyer must evaluate both sides of the same coin. Indeed, it is interesting that the acceptance of an inheritance may not be always desirable particularly where the inheritance also brings accumulative debts. It is worth emphasizing that Turkish probate law principles are formulated strictly by the Turkish Civil Code.

How can you sue for inheritance in Turkey or in another jurisdiction?

Inheritance law has very strict and binding provisions across the globe. The main aim of such norms governs rights from one side and responsibilities on the other for successors. Thus, disputes arising from inheritance are complex and always take a long time for a settlement. That is the case for most countries. Cross-border inheritance law Turkey is directly provided by the Act on Private International and Procedural Law Numbered 5718.

What is the main legal base for international inheritance disputes in Turkey?

Above all, it is critical to emphasize that the Act on Private International and Procedural Law (Numbered 5718) plays a core role in regulating cross-national cases. Specifically, Article 20 states that the national law of the deceased shall govern inheritance. It necessarily means that fundamental priority is the citizenship of the decedent. For instance, if the testator has the USA citizenship, the USA rules will be applicable. Nevertheless, with regard to immovable property located in Turkey, Turkish law is applicable to any case. Article 20 also stipulates that provisions relating to the reasons of opening, acquisition and distribution of succession shall be governed by the law of the state where the estate is located.

Do you pay inheritance tax in Turkey?

Undoubtedly inheritance tax is paid in Turkey during the asset transfer from deceased to legal and assigned heirs. Inheritance tax rates are updated annually.
